TOGETHER, WE MAKE CHANGE HAPPEN.

In Greater Philadelphia, 1 in 4 families lives in poverty. These are our neighbors, struggling every day to survive, with no end in sight. At United Way, we believe this is unacceptable. We also believe it is solvable.

By forging coalitions with business, government, and community organizations, we provide the skills and support people need to become—and remain—financially independent. We do this by solving the problems that keep people up at night and fueling the ambitions that get people out of bed in the morning.

With our partners, we deliver immediate relief and long-term achievement. When our work is through, every low-income family in our region will have what they need to support themselves and improve their lives.

OUR APPROACH

Listen to community voices to understand challenges and identify underlying issues.

Leverage our expertise, local market knowledge, and community partners to develop effective solutions.

Build coalitions with leaders from local communities, government, and corporate sectors to implement and fund these solutions.

Measure and Refine our strategies to amplify impact family-by-family, year-over-year.

Share our findings to strengthen sector capacity, expand learning, and inspire action across Greater Philadelphia.

GIVE TO UNITED WAY

Serving Pennsylvania's Chester, Delaware, Montgomery, and Philadelphia counties, and New Jersey's Atlantic, Burlington, Camden, Cape May and Cumberland counties, United Way leads solutions that deliver immediate relief and long-term achievement.
