

LONG-TERM ACHIEVEMENT

MATCH SAVINGS PROGRAM

STABILITY HAS ALWAYS BEEN A PRIORITY FOR AKIRAH. HAVING MOVED 20 TIMES BEFORE THE AGE OF 25, SHE WAS DETERMINED TO PROVIDE HER CHILDREN WITH A PERMANENT HOME. SHE WORKED TO SAVE FOR A DOWNPAYMENT AND RECEIVED A 2:1 MATCH FROM UNITED WAY'S LUBERT IDA PROGRAM, MAKING HER DREAM OF HOMEOWNERSHIP - AND STABILITY - A REALITY.

United Way's **Match Savings Program** supports low-income families by matching their savings toward homeownership, education, and small business ownership. Participants receive matching contributions of 2 to 3 times their savings, helping them build wealth and achieve economic stability.

It's difficult to plan for a bright future when you're always stuck trying to survive the day-to-day. Your gift to United Way supports families like Akirah's to rise above challenges and build a better tomorrow.
